Rajshahi, Bangladesh | +8801345468615 | imdselim95@gmail.com | Portfolio: myimagetools.netlify.app

PROFESSIONAL SUMMARY

Detail-oriented and tech-savvy professional with 4 years of hands-on experience in Microsoft Office suites and AI-assisted web development. Possesses strong analytical and fact-checking capabilities, combined with an extensive background in analyzing complex Bengali literature. Seeking a temporary role as an AI Content Evaluator / RLHF Specialist to leverage technical adaptability, linguistic intuition, and deep research skills to optimize large language models.

TECHNICAL & CORE SKILLS

- **Linguistic & Analytical:** Fact-checking, Content Evaluation, Critical Reading, Proofreading.
- **Technical & Coding:** AI Vibe Coding, Frontend Web Development, HTML/CSS/JavaScript, Local Client-Side Processing.
- **Software Proficiency:** Advanced MS Office (Word, Excel, PowerPoint), Google Workspace.
- **Languages:** Bengali (Native), English (Professional Working Proficiency).

TECHNICAL PROJECTS & EXPERIENCE

Creator & Developer – *MyImageTools* (*myimagetools.netlify.app*)

- Successfully conceptualized, built, and deployed a privacy-first web application specializing in 100% browser-based image processing.
- Integrated Client-Side Engines utilizing modern frontend web tech to enable instant image compression, resizing, cropping, background removal, and AI upscaling without server-side file uploads.
- Demonstrated proficient technical knowledge, problem-solving, UI/UX optimization, and clean deployment strategies via Netlify.

Independent IT & Content Contractor – *Self-Employed* (2022 – Present)

- Managed data organization, document design, and reporting spreadsheets utilizing advanced Microsoft Office functions over a 4-year period.
- Utilized generative AI environments for vibe coding workflows, safely automating rapid prototyping and code verification.

EDUCATION

Higher Secondary Certificate (HSC)

Board of Intermediate and Secondary Education, Rajshahi • *Exam Completed (Result Awaited)*

INTERESTS & LINGUISTIC STRENGTHS

Avid reader of classical and modern Bengali literature. Deep familiarity with nuances, metaphors, and cultural contexts through extensive reading of legendary authors including Humayun Ahmed, Sarat Chandra Chattopadhyay, Satyajit Ray, Bibhutibhushan Bandyopadhyay, Rabindranath Tagore, and Kazi Nazrul Islam. This background provides superior linguistic intuition ideal for Bengali LLM training, translation evaluation, and cultural alignment checking.
